March 5, 2020

Present: Dawn Holynski (chairperson and town representative), and Jan Tighe (village trustee and village representative); Donna Gilson (town board member and representative); Melissa Wadkinson (village representative); Robin Ford (village representative and village trustee).

Excused: Maureen Anderson (town representative);; Jamie Foster (town zoning committee member and town representative)

Minutes of the December 5, 2019 were presented. Motion by Jan to approve the minutes and seconded by Donna were passed.

The committee did not meet in January and February 2020.

Dawn met with the Town of Richland board at their special meeting January 28, 2020 to discuss the Comprehensive Plan. Dawn shared the recommended changes village mayor, Angel Rodrigues, had to the Comprehensive Plan. The town board had a few suggestions. Dawn took those suggested changes to the committee and all agreed those were valid points. Dawn will make those changes to the document.

Climate Smart – The committee recognizes the importance of more discussion on climate issues, referring to current Climate Smart Action Plan adopted April 2016. It is important for this committee to make sure the community knows what progress has been done both to Comp Plan review and Climate Smart Action Plan. Our committee needs to engage the community more.

Next meeting – Thursday, April 2, 2020 at 6-7:30 pm at the courthouse.

The meeting was adjourned at 7:30 pm upon motion by Donna seconded by Dawn. All in favor, none opposed.

Respectfully Submitted

Dawn Holynski
