Comp Plan Updates:

Work began on page 130. and ended on page 149 for the evening. Maps need updating (Karen Noyes, Oswego County Planning and Tourism) is helping us with the maps. Some photos need to be changed, name changes, projects in the Village and Town, charts and grafts have not been updated since the year 2000.

Although this is an important project, we have come to realize that this committee cannot find the new information readily available to replace data needed to make this document accurate. It was noted that a few surrounding townships and villages are in the process of creating their first Comprehensive Plan. Some of these municipalities are currently working with the CNY Regional Planning and Development Board (CNYRPDB) who helped our township create our current Comprehensive Plan.

We noted that it is very possible that the format for the other municipalities might be the same as ours since CNYRPDB is assisting them. Some graphs and charts we have trouble updating could possibly be in the other townships Plan since CNYRPDB is helping them and we geographically might have the same information. Jeanie Gleisner, who helped us create the original Plan no longer works at CNYRPDB. We do not know who took her place.

There will be more discussion at our next meeting with possible discussion with the Village and Town Boards whether they want to invest money in hiring CNYRPDB or keep the existing Plan (2011 and updates of the goals and recommendations (2022)).

Other: Dawn told the committee members that she sent Bob North via email that she is resigning from this committee effective, Thursday, December 5, 2024, at 8pm.

Next meeting: November 7, 2024 at 6-7:30 pm. H. Douglas Barclay Court House.

A motion was made by Jan and seconded by Donna to adjourn at 7:30 p.m.

Respectively submitted,

Dawn Holynski, Chairperson
